 Sept. 19, 1893.

THE undersigned have been established in the Carriage Business on the Middleway and Shepherdstown turnpike, one mile north of Middleway, for four years past, and during that time have been doing a large and constantly increasing business in the manufacture of CARRIAGES, JUMP-SEATS, END SPRING & SIDE-BAR BUGGIES, JENNY LINDS, PLETONS, JAGGERS, &c.

Our work has been sold all through Jefferson and adjoining counties, and has always given satisfaction in every particular. It is our constant aim to work the very best material, and to do all work in a first-class manner, and to our prices we pledge ourselves to do work as low or lower than first-class work can be done elsewhere.

If you wish to visit in regard to work, and do not find it convenient to visit our factory, we will, if notified by postal card, send a representative of the firm to visit them at their homes, and give all necessary information. Second-hand vehicles and good Horses to be exchanged for work.

We keep constantly a large variety of New Vehicles in stock, and have also Second-Hand Carriages, Buggies, &c., which we sell very low. A. L. ANDERSON & CO. May 9, 1892-v.

**THE REST CURE.**  
 This is often the best cure. But many people cannot afford to rest. Indefinitely. Worse still, the very knowledge that they cannot, seriously interferes with the best use of the rest they have. Too often going to the doctor means that the patient shall stop short, while cars and duties and expenses continue. Many, therefore, hesitate and delay.

Dr. Starkey & Palen's Compound Oxygen Treatment presents an easy way out of the dilemma; it has done so for more than a score of years and for more than three score thousand people. The method puts it where it will do the most good—in the lungs. The treatment neither interferes with business nor pleasure. This simple thing has made multitudes of run-down, over-worked, nervous and sick people as good as new. For further particulars send for book of 800 pages, sent free.
